

“With Heart to Germany – Information for the Family”

Who is PflegeHerz Consulting?

We are a German company with roots in Kerala. We personally and reliably support nursing professionals on their journey to Germany.

Is this legal and trustworthy?

Yes. We operate in accordance with German law, using official recognition procedures, legal visas, and reputable employers. All nurses are thoroughly prepared before departure.

How will my child / relative be supported?

We provide assistance with language training, recognition of qualifications, housing, job integration, and administrative procedures. Even after arrival in Germany, we remain a point of support.

What does a nurse earn in Germany?

Nursing professionals earn approximately €2,600–€3,300 gross per month, with long-term opportunities for advancement.

Can the family join later?

Yes. If all requirements are met, a legal family reunification is possible. We are happy to explain the exact process.

What happens in case of problems?

We remain a reliable contact – even in challenging situations or if a change is needed. Our nurses are never left alone.

PflegeHerz Consulting stands for safety, trust and guidance – for your family too.
